NATIONAL SYMPOSIUM 2016
SPONSORSHIP OPPORTUNITIES

NATIONAL SYMPOSIUM

The Docomomo US National Symposium is the primary event in the United States for professionals to discuss and share efforts to preserve modern architecture and meet leading practitioners and industry professionals. Join us in Detroit, Michigan for the fourth annual Docomomo US National Symposium from June 9-12, 2016. The 2016 Symposium entitled *Beyond Modernism?* will look at the diverging design and theory of the late 1970 and early 1980s through examining its leading architects and designers and their iconic architectural contributions. As the only national event working to explore and build consensus on the preservation of Modernism, the symposium will bring together world renowned designers, scholars, students, and professionals from the state of Michigan and from around the country.

SPONSORSHIP OPPORTUNITIES

Become a sponsor of the Docomomo US National Symposium in Detroit, Michigan June 9-12, 2016. Previous Symposiums have been incredibly successful and we expect our fourth conference to be even better. The Detroit symposium is an excellent opportunity for you to present your products and services and make great business connections. Sponsorships begin at just \$250 and table placement at just \$1000. Sponsorship is a cost-effective method of reaching senior architects and allied professionals. We invite you to take a look at our sponsorship packages and confirm your participation by completing the registration form.

NATIONAL SYMPOSIUM 2016

Docomomo stands for DOcumentation and CONservation of buildings, sites and neighborhoods of the MOdern MOvement. Docomomo US is the committee of Docomomo in the United States and a 501(c)3 registered non-profit organization consisting of a union of 17 regional chapters and 4 friend organizations that share its members' knowledge of and enthusiasm for modern architecture. Docomomo US works to promote public interest in modernism through lectures and walking tours, and organizes advocacy efforts to protect endangered sites and buildings.
